

EPIQ GRAND ROUNDS

Session 20

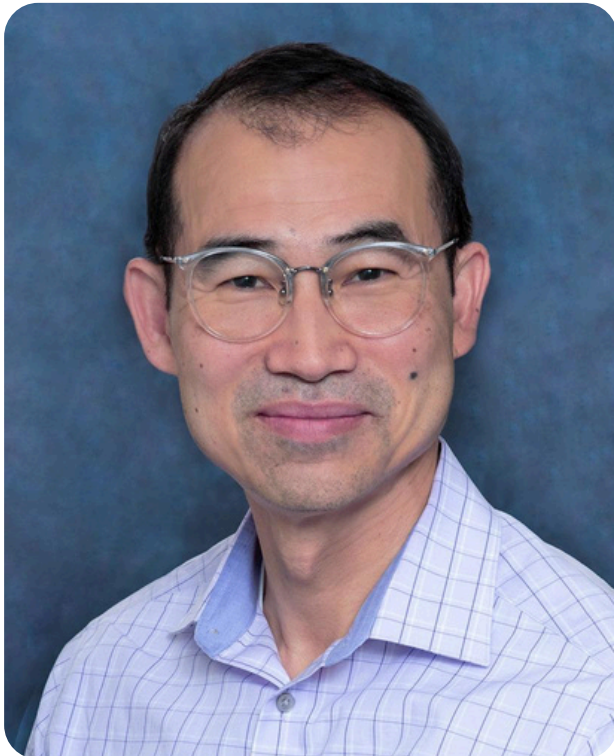

Lessons learned in advancing quality improvement through collaboration

Objectives:

- Review collaborative quality improvement activities from California.
- Consider how unit culture may influence quality improvement activities and outcomes.
- Develop strategies for engaging stakeholders to advance NICU quality improvement.

Presented by:

Dr. Henry C. Lee

Dr. Henry C. Lee, MD is a neonatologist and Professor of Pediatrics at the University of California San Diego. He has been a participant in various aspects of the activities of the California Perinatal Quality Care Collaborative (CPQCC) since 2007, serving on committees and as the Chief Medical Officer from 2017 to 2022. He currently chairs the Data Infrastructure and Opportunities Committee of CPQCC. He has a keen interest in the art and science of quality improvement in the NICU.

WEDNESDAY NOVEMBER 6TH, 2024
